

# MERCHANDISE PICKUP MADE EASY

## ORDER FULFILLMENT WITH TOKEN

Sell more merch and give customers a hassle-free way to collect it at the event, without losing count onsite.

Integrates with your current e-commerce or ticketing platform. Purpose built for Cons, Expos, Community fun runs and Music Festivals.

1

### PURCHASE MERCH ONLINE

Customers purchase from your online shop.

2

### LINK ORDER TO TICKET

Customers receive an email to link their order(s) to their ticket / Token account.

3

### TAP & COLLECT

Customers attend an onsite pickup point to collect their merchandise order.

Integrates with:

**shopify** + **ticketbooth** + more
